

Mandoe

# Better Together

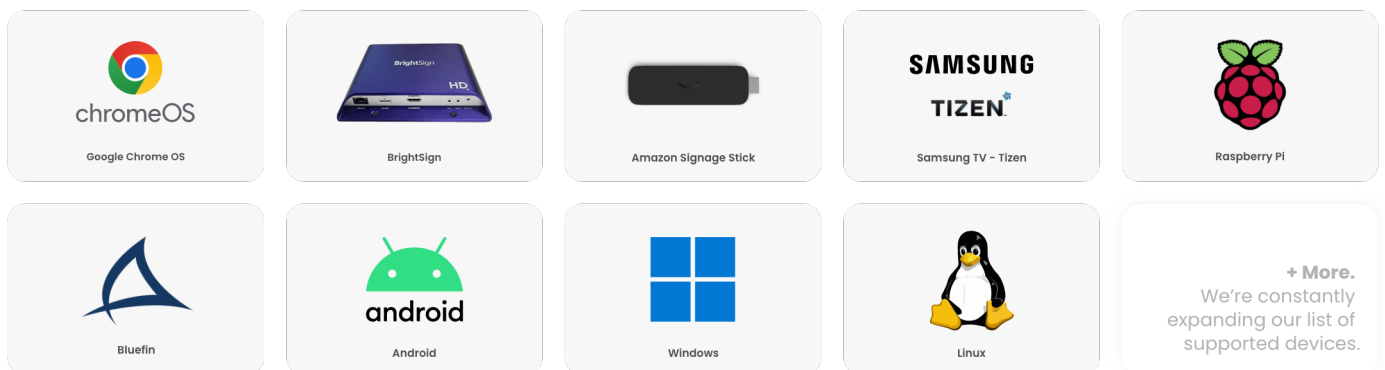

Digital Signage Made Easy

Mandoe makes it simple to manage, update and display content that captivates your audience, on any screen, anywhere.

## Supported Platforms

Our digital signage software works seamlessly with a wide range of trusted devices and operating systems, giving you the freedom to choose the platform that suits your business best.

## Why Businesses Choose Mandoe

- Cloud-Based & Easy to Use**  
Manage your screens from anywhere with our intuitive, user-friendly platform
- Create. Schedule. Publish.**  
Design stunning content, schedule and publish to one or multiple screens
- Real-Time Updates**  
Update content instantly across your network and keep your messaging fresh

- Powerful Analytics**  
Get reports that track when content was played. Match it up to your sales data to see what content is working and what isn't.
- AI Magic Create**  
Mandoe's AI-powered tool transforms a simple prompt into fully designed digital signage and menu board content in seconds, delivering customizable, publish-ready designs for your screens instantly.

## One Platform. Endless Possibilities.

Mandoe has everything you need to easily create and manage beautiful digital signage in your store, business or workplace.

- Retail**
  - Hospitality**
  - Healthcare**
  - Education**
  - Corporate**
  - + more**
- ✓ No complex setups. No IT headaches.
  - ✓ Scalable for any business size.
  - ✓ Expert support when you need it.
